Kick-Off																					
Hold Kick-off meeting with BCDOT																					
Existing Conditions/ Data Collection Relevant Plans & Project Reviews																					
Collect existing data, plans, reports from City agencies					+								+								
Review relevant plans, projects and data																					
Develop Existing Plans and Relevant Data Summary Desktop Survey and Utility Investigations										+	-						+++		+		
Conduct desktop survey and utility investigation																					
Compile right-of-way information																					
Develop CADD drawing identifying key map elements, roadway information and desktop surface utility information		+	\vdash					\rightarrow		+		-	+			\rightarrow	+++	+	+	\rightarrow	\vdash
Peak Hour Turning Movement Counts Collect peak hour turning movement counts			+++	+							-		+			-					$\overline{}$
Develop existing traffic data report			\vdash	-				\rightarrow					+								
Environmental / Historic Resource Analysis																					
Conduct environmental/ historical resource analysis Develop GIS shapefile with desktop-level environmental and historic resources		+	+++								-		+								
Develop Cas Sinapelle with desktop-level environmental and historic resources Develop Text Summary of Key Findings		++-	+++		+			_					+					+ + + +			
Visioning and Public Engagement																					
Public Engagement Plan																					
Develop draft public engagement plan Submit public engagement plan to BCDOT					+								+								
BCDOT Review/ Comment																					
Address BCDOT comments																					
Submit revised public engagement plan Field Tour and Visioning Exercise		+ -						-					+++								
Hold field tour (virtual or in-person)																					
Conduct visioning exercises with key stakeholders																					
Summarize outreach results w/MOEs identified Stakeholder Engagement / Concept Review Meetings / Workshops		+			-			_								_					$\overline{}$
Conduct (5) one-on-one stakeholder interviews (virtual)																					
Public Meeting #1 (virtual)																					
Implement Grass Roots Informational Campaign including (6) community briefings (In-person, targeted collateral etc.) Targeted Pop Up Events (4)										\vdash		+++	+			+					
Public Meeting #2 (virtual or in-person)																					
Deliver public engagement outcomes report																					
Concept Development and Assessment Develop Distinct Corridor Segment Concepts																					
Segment 1 concepts (I-83 to Madison Avenue)													+								
Segment 2 concepts (Madison Avenue to Fulton Avenue)																					
Segment 3 concepts (Fulton Avenue to Gwynn Falls Parkway) Segment 4 concepts (Gwynn Falls Parkway to Park Circle)		-					+++	_					+			_					
Segment 4 concepts (Gwynn Pans Pansway to Pans Circle) Segment 5 concepts (Park Circle to Greenspring Avenue)													+								
Conduct BCDOT review of preliminary segment concepts																					
Develop & Assess High-Level End-to-End Concepts (3) Develop end to end concepts																					
Conduct synchro analysis of proposed alignments																					
Evaluate potential diversion routes																					
Conduct Level of Comfort assessment for pedestrian and bicycle enhancements Evaluate potential environmental and historical impacts												+++									
Develop ArcGIS Web Map					++																
Perform high-level cost estimate																					
Develop Concepts Technical Review Memorandum					\perp					+	+		\perp								
Deliver high-level end-to-end concepts to BCDOT Conduct BCDOT review of end-to-end concepts		-			+					+++	+		+						+		+
Develop Final Deliverables																					
Submit Final Deliverables	+	+	+	+	+		+	\perp		+	+		+		$\perp \perp \perp$						\Box
Develop final report Deliver final report		+	++	+++	+	+++	+++	+	+	+++	++		+		+	+				+	+++
BCDOT Review																					
Address BCDOT comments			\Box										\Box			\Box					
Submit final report		\perp			\perp			\perp		\perp			\perp						\perp		$\perp \perp \perp$

Milestone Elements
